**Subject:** [MTI] Launch of RCEP Booklets for Businesses

Dear Trade Association (TA) Members,

MTI has produced three booklets on the RCEP Agreement to share the benefits of its key chapters, and how companies can capitalise on the Agreement to expand their business.

We would appreciate your support in sharing the publicity eDM below with your networks and on your publicity channels to reach out to the businesses.

Thank you for your support!

# Regional Comprehensive Economic Partnership (RCEP) Agreement

15 NOV  
2020

Signing of the agreement

World's largest free trade agreement

Comprising 30% of global GDP and about one-third of world population

The RCEP Agreement will bolster the market and open up employment opportunities for businesses and people in the region. It will enter into force 60 days after a minimum of six ASEAN signatories and three ASEAN FTA Partner signatories ratify the agreement.

To date, the ASEAN Secretariat has notified signatories of the deposit of Singapore's, China's and Japan's Instruments of Ratification. Singapore looks forward to ratification by RCEP participating countries so that the Agreement will enter into force by early 2022, as targeted.

MTI has produced three booklets to share the benefits of the key chapters of the RCEP Agreement. Companies may learn more about how they can capitalise on the Agreement from these booklets.
